

### REMARKS

By this Amendment After Allowance, it is proposed to make additional minor changes to Claims 29, 34, 39 and 46 as amended by the Examiner's Amendment. The proposed additional changes are to eliminate redundant occurrences of the word "and", to change remaining occurrences of "communications device" to --communication device--, and to change a number of semi-colons to commas in the interest of consistency. The proposed changes do not raise new issues or require further consideration, and do not affect the scope of coverage, and therefore, their entry is respectfully requested.

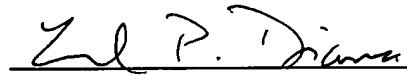

### REQUEST FOR CORRECTED NOTICE OF ALLOWABILITY

Applicant notes that the Notice of Allowability is incorrect, in not listing Claim 30 among the allowed claims. Claim 30, which depends from allowed Claim 29, was first presented in the Preliminary Amendment And Information Disclosure Statement dated October 27, 2000, and was never canceled, nor was the Patent and Trademark Office ever authorized to cancel it. Accordingly, issuance of a corrected Notice of Allowability reflecting the inclusion of Claim 30 among the allowed claims, is respectfully requested.

CONCLUSION

Applicant's undersigned attorney may be reached in our New York Office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address listed below.
